In law, a judgment is a decision of a court regarding the rights and liabilities of parties in a legal action or proceeding. Judgments also generally provide the court's explanation of why it has chosen to make a particular court order.. The phrase "reasons for judgment" is often used interchangeably with "judgment," although the former refers to the court's justification of its judgment while ...

During the five or six year window I hooked up with black girls I found that this affliction didn't discriminate in the least. The good looking, the average looking, the chubsters (more on that later), the clubbers, the church goers, the employed, the unemployed, the slutty, the "snowflakes" (who, of course have only slept with their six baby daddies and nobody else) all had children.
