Answers - The Most Trusted Place for Answering Life's

Fornication is generally consensual sexual intercourse between two people not married to each other. When one of the partners to consensual sexual intercourse is a married person, it may be described as adultery.. For many people, the term carries an overtone of moral or religious disapproval, but the significance of sexual acts to which the term is applied varies between religions, societies ...

Fornication - Wikipedia

A history of domestic violence between you and the other parent can affect the custody or visitation arrangement for your children. The law presumes that the parent who committed the domestic violence might not get custody and visitation unless he or she meets certain requirements.
