Due to the slightly disconcerting popularity of 50 Things to Do When You're Bored at Home (are people really that bored?), StudioKnow has decided to give you an alternate list of things to do: the imaginatively titled 50 Things to Do When You're Bored Online.. Some would call this cashing-in on previous successes. That's exactly what we call it, so that's just fine.

As of August 29, 2014, Google has decided to intentionally break old browsers. They say it's not a bug, it's by design here, even though Google's support page says it accepts Safari 4 as a fully supported browser. If you want Google searches to go back to the modern style, you need to change your User-Agent string.

Fix #7b: The most extreme of the fixes. Only consider this fix as an absolute last resort before tossing the camera, as there's some obvious potential for further damaging your camera by using this method. You especially might consider this if the lens barrel appears obviously damaged, bent, or crooked such as from a fall. In that case, try thinking of the lens as a dislocated shoulder.
