The Federal Reserve has typically used a short-term interest rate as the policy tool for achieving its macroeconomic goals. However, with short-term rates constrained near zero for much of the past decade, the Fed was impelled to use two unconventional monetary policy tools: forward guidance and quantitative easing.

This letter was written by John Robinson, the pastor of the Pilgrims church in Leiden. Since a majority of the church remained behind in Leiden, he made the very difficult decision to stay and minister to those remaining in Holland rather than come on the Mayflower. He planned to come to America as soon as he could get more of his church over, but his untimely death in 1626 prevented his ever ...
