

academic encounters the natural pdf

An academic discipline or field of study is a branch of knowledge, taught and researched as part of higher education. A scholar's discipline is commonly defined by the university faculties and learned societies to which he or she belongs and the academic journals in which he or she publishes research.. Disciplines vary between well-established ones that exist in almost all universities and have ...

Sexual intercourse may be called coitus, copulation, coition, or intercourse (the last of which is typically shorthand for sexual intercourse). Coitus is derived from the Latin word coitio or coire, meaning "a coming together or joining together" or "to go together", and is known under different ancient Latin names for a variety of sexual activities, but usually denotes penile-vaginal ...
