The National League, currently named the Vanarama National League for sponsorship reasons, is the highest level of the National League System and fifth-highest of the overall English football league system. While all of the clubs in the top four divisions of English football are full-time professional, the National League has a mixture of full-time and semi-professional clubs.

The American Tobacco Company. The anti-smoking conspiracy began over a century ago. Skull & Bones members ring-led the creation of the American Tobacco Trust, to gather all the companies under anti-smoker control. But they knew that they couldn't just take over the tobacco companies and shut them down, because others would simply enter the field.
