

an american expat living pdf

Number of U.S. citizens living abroad. There are no reliable figures on how many Americans live abroad, but a 1999 State Department estimate suggests that the number may be between 3 million and 6 million. In 2016, the U.S. State Department estimated that there are 9 million U.S. citizens living abroad, an increase from an estimate of 4 million in 1999.

American diaspora - Wikipedia

An expatriate (often shortened to expat) is a person temporarily or permanently residing in a country other than their native country. In common usage, the term often refers to professionals, skilled workers, or artists taking positions outside their home country, either independently or sent abroad by their employers, who can be companies, universities, governments, or non-governmental ...
