In my previous Going off-grid post I reviewed the question of whether Tesla Powerwalls or overgeneration, considered separately, might allow a UK homeowner with a rooftop solar array to go off-grid. In this post I consider the two in combination. Once more using 10 Mossbank Way as an example I find ...

Arcee is the name of several fictional characters in the Transformers franchise. They are female Autobots, usually pink or blue in color. Being the most famous of the Female Autobots, she has made more appearances and has had several more incarnations than any other female Transformer. Originally she turned into a car, however, later incarnations have turned into motorcycles.
