savor of folk tale and a still-medieval innocence. They remind us that Kafka wrote in a Europe where islands of urban, wealth, culture, and discontent were surrounded by a countryside still, in its simplicity, apparently in possession of the secret of happiness, of harmony with the powers of earth and sky.

Jordan's "sickness" becomes Franza's "sickness"! B. In the novel, Franza is erased, but the book bears her name and by holding a place for her name it bears witness to her fate. C. The novel represents a literary investigation into the same problems and issues Freud treats scientifically in his psychoanalytic writings.

Franza notes that there is no mention in the court record of the pauses and stammering as the witness, the victim of castration and burnings, falters and then begins to weep. The transcript thus tells only part of the story. Bachmann's Franza book responds to the silence surrounding the atrocities of her time.
