Girls' education: towards a better future for all

Education offers children a ladder out of poverty and a path to a promising future. But about 264 million children and adolescents around the world do not have the opportunity to enter or complete school.

Education | UNICEF

Education is Transformational. Education is a foundational driver of development, and fundamental to achieving self-reliance. Education is transformational for individuals and societies--it creates pathways to better health, economic growth, a sustainable environment, and peaceful, democratic societies.

Single-sex education, also known as single-gender education and gender-isolated education, is the practice of conducting education with male and female students attending separate classes, perhaps in separate buildings or schools. The practice was common before the 20th century, particularly in secondary and higher education. Single-sex education in many cultures is advocated on the basis of ...
