

the encyclopedia of angels pdf

An angel is generally a supernatural being found in various religions and mythologies. In Abrahamic religions, angels are often depicted as benevolent celestial beings who act as intermediaries between God or Heaven and humanity. Other roles of angels include protecting and guiding human beings, and carrying out God's tasks. Within Abrahamic religions, angels are often organized into ...

Angel - Wikipedia

An angel investor (also known as a business angel, informal investor, angel funder, private investor, or seed investor) is an affluent individual who provides capital for a business start-up, usually in exchange for convertible debt or ownership equity. A small but increasing number of angel investors invest online through equity crowdfunding or organize themselves into angel groups or angel ...
