An encyclopedia or encyclopædia is a reference work or compendium providing summaries of knowledge from either all branches or from a particular field or discipline. Encyclopedias are divided into articles or entries that are often arranged alphabetically by article name and sometimes by thematic categories. Encyclopedia entries are longer and more detailed than those in most dictionaries.

Retirement is the withdrawal from one's position or occupation or from one's active working life. A person may also semi-retire by reducing work hours. An increasing number of individuals are choosing to put off this point of total retirement, by selecting to exist in the emerging state of pre-tirement.. Many people choose to retire when they are eligible for private or public pension benefits ...
