What is a farmers market? A farmers market is a public and recurring assembly of farmers or their representatives selling the food that they produced directly to consumers. Farmers markets facilitate personal connections and bonds of mutual benefits between farmers, shoppers, and communities. By cutting out middlemen, farmers receive more of our food dollars and shoppers receive the freshest!

Gold farming is the practice of playing a massively multiplayer online game (MMO) to acquire in-game currency later selling it for real-world money. People in several developing nations hold full-time employment as gold farmers. Distinct from another popular method of cheating in online multiplayer games, gold farming specifically refers to paying for in-game currency, not rank or experience ...
