A POST-AMERICAN EUROPE AND THE FUTURE OF U.S - Brookings

Rescue history, drawing on frontier and post-colonial studies among others, is preoccupied with local, potential, existential and affirmative history whose goal is to rescue the future.

The Future of the Past: Countermemory and Postmemory in

The Future of the United States Postal Service. By Elaine C. Kamarck Harvard Kennedy School of Government September 29, 2009 I. The Post Office is Going Broke! The United States Postal Service pre-dates nearly every other governmental institution we have. It was created in 1775 by the Second Continental Congress and expanded with the country.

The Future of the United States Postal Service, Elaine C

Americans love to complain about the post office. Enjoying one of the few government-enforced monopolies in the U.S., it has long been a model of bureaucratic inefficiency.

Can the Postal Service Have a Future? | The Heritage

We look forward to getting the different views as to what the post office network might look like in the future. In particular, we welcome the Government's support of the network and their acceptance of this report.

Government publishes Kerr report on the future of the Post
