Cisco Voice Gateways and Gatekeepers

Gateway (web page), a web page designed to attract visitors and search engines to a particular website
Computing and telecommunication devices. Default gateway, the node in a computer network that passes traffic from a local network to other networks or the Internet (router); Gateway (computer program), a link between two computer programs allowing them to share information and bypass certain ...

Gateway - Wikipedia

A gate or gateway is a point of entry to a space which is enclosed by walls. Gates may prevent or control the entry or exit of individuals, or they may be merely decorative. Other terms for gate include yett and port. The word derives from the old Norse "gata", meaning road or path, and originally referred to the gap in the wall or fence, rather than the barrier which closed it.

This is a list of carriers providing email to SMS gateways, which allow you to send text messages to mobile phones via email.. Emails are specific to carriers and SMS messages can only be sent directly to the carriers' unique email gateway. However, generic commercial services also exist. Sending email to SMS can be used to avoid international fees or set up automatic alerts using IFTTT.

Introducing the SeaSmart.NET™, Marine Networking Gateways by Chetco Digital Instruments:

Introducing the SeaSmart.NET™, Marine Networking Gateways

The Winter Wizards Event Series allows players a simple outlet to get on the course during the Winter months and test out new plastic blends from the Gateway factory. This is the perfect opportunity for new and established tournament directors to showcase the Gateway brand in their area, while also providing local players with a fun environment to assemble and enjoy some disc golf.
