The impact of smartphones and mobile devices on human health and life By Leonid Miakotko

### **The impact of smartphones and mobile devices on human**

The lungs are located in the chest on either side of the heart in the rib cage. They are conical in shape with a narrow rounded apex at the top, and a broad concave base that rests on the convex surface of the diaphragm. The apex of the lung extends into the root of the neck, reaching shortly above the level of the sternal end of the first rib. The lungs stretch from close to the backbone in the ...

In common usage, the word "human" generally refers to the only extant species of the genus Homo—“anatomically and behaviorally modern Homo sapiens.. In scientific terms, the meanings of "hominid" and "hominin" have changed during the recent decades with advances in the discovery and study of the fossil ancestors of modern humans. The previously clear boundary between humans and apes has ...
