Importing PDF files - posted in General Accordance Topics: Our church publishes sermons as PDF files. I've tried to save-as "text" in Acrobat. But, it still loses much of the formatting. Since PDF files are so widely used, why does Accordance not have import as PDF as an option?

Importing PDF files - General Accordance Topics

The acronym PDF stands for Portable Document Format. In very broad terms the PDF format is a digital format that you can use to represent electronic documents. One of the main appeals of the PDF file format is that the document representation is independent of any of the following: Software. Hardware. Operating System.
