Since the early 1900s, Latinos have been a productive and essential part of Minnesota. Most of the earliest Minnesotanos were migrant farm workers from Mexico or Texas and faced obstacles to first-class citizenship that are still being addressed. They overcame the instability associated with migratory work by establishing stable communities in the cities and towns of Minnesota.

Texas is the second-largest U.S. state, after Alaska, with an area of 268,820 square miles (696,200 km²). Though 10% larger than France and almost twice as large as Germany or Japan, it ranks only 27th worldwide amongst country subdivisions by size. If it were an independent country, Texas would be the 40th largest behind Chile and Zambia.. Texas is in the south central part of the United ...

Graduate Scholarships. While less common than undergraduate scholarships, scholarships for graduate students are available. Graduate students rely heavily on fellowships or assistantships - especially in high-need areas like nursing or teaching - but these aren't available to everyone and don't always cover a graduate student's living expenses.
