We provide oversight and development for the Commonwealth's agencies, boards, and commissions in areas such as: Criminal justice Law enforcement

Executive Office of Public Safety and Security | Mass.gov

OVERVIEW Legislation enacting the California Public Records Act (hereinafter, "CPRA") was signed in 1968, culminating a 15-year-long effort to create a general records law for California.

Summary of the California Public Records Act 2004

Securities Act of 1933. Often referred to as the "truth in securities" law, the Securities Act of 1933 has two basic objectives: require that investors receive financial and other significant information concerning securities being offered for public sale; and

SEC.gov | The Laws That Govern the Securities Industry

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.

International law is the set of rules generally regarded and accepted in relations between nations. It serves as a framework for the practice of stable and organized international relations. International law differs from state-based legal systems in that it is primarily applicable to countries rather than to individual citizens. National law may become international law when treaties permit ...
