The numbers are all over the place, and many of them seem to recursively refer to one another, not exactly building confidence in the rigor of their development. But they seem to cluster around a Narrative-friendly 300 million. But what if that number is wrong? We believe that the correct number is ...

Total US Firearms: Not 300 Million, but 412-660 Million

For all his fame and celebration, William Shakespeare remains a mysterious figure with regards to personal history. There are just two primary sources for information on the Bard: his works, and various legal and church documents that have survived from Elizabethan times. Naturally, there are many gaps in this body of information, which tells us little about Shakespeare the man.
