The course focuses, however, on the rights and duties of parties to secured transactions under Article 9 of the Uniform Commercial Code. Primary attention is given to the ordering of claims when the debtor has insufficient assets to satisfy all of her debts and also when she files, or is forced into, bankruptcy.

Transactions within the same fund should be processed as PV3 documents. When this type of transaction is entered into the MAPS procurement component, the proper document type is automatically passed to the MAPS accounting component. These entries were formerly processed in the Statewide Accounting System (SWAS) using NA68 and NA69 transactions.
