trapped Communicate with people outside of the elevator. ☐ Move away from the doors in case they are opened by rescue personnel. Sit on the floor.

Elevator Safety: What to do if someone is trapped - Safety

or a person trapped in the mechanism of the elevator, responses to elevator emergencies shall be non-emergency. Any officer may, at their discretion, upgrade the response to an urgent response. 2.3 Upon confirmation that a person is trapped in the mechanism of the elevator, the alarm should be upgraded to a residential structure assignment. 3.

Yakima County Fire District 12— Standard Operating

front of the bus. But that’s not important right now. There’s a guy stuck in the elevator. The other cop cut me off, and asked in exasperation, “When did the guy get stuck in the elevator?” It was at about 7:50. I looked at my watch. It was already almost 8:20. The cop grabbed the wireless radio from his belt and put it to his lips.
