Textual Variants in P46. Any given manuscript of the New Testament will vary from the standard text in certain places. Even minor variations, which may have little or no significance for the meaning of the text, can help place a particular manuscript in a sort of "Family Tree" of the New Testament.

patristic texts that refer to variant readings; and second, by analyzing the collected data with a focus on the text-critical criteria used by the fathers. The dissertation begins by considering the social and historical backdrop of the

## **EXPLICIT REFERENCES TO NEW TESTAMENT VARIANT READINGS**

The explicit references to variants are then examined, first by individual father (organized by Greek and Latin), then by variant (for the variants discussed by multiple authors). This information is then summarized in terms of literary genres in which the references occur and the criteria used to evaluate the variants.
