THE VOICE OF ANGELS Ancien organs. The air, compressed by one or even two pumps, lowered the level of water contained in a bronze or copper bell immersed in a vat. In turn, the water compressed the air, sending it into the pipes that created a different pitch in height, but not in timbre. There was a

Voice of an Angel is the debut studio album by then-12-year-old soprano Charlotte Church, released in 1998. The Sony Music recording was extremely popular, selling millions of copies, and made Church the youngest artist in history with a number 1 album on the British classical crossover charts. The album is a collection of arias, sacred songs and traditional pieces.
