Purpose of review In sarcoidosis, the design and validation of an appropriate risk stratification strategy is hampered by the considerable variability in initial presentation, disease evolution, and outcome. Although spontaneous resolution of the disease is described in a large proportion of ...

### **Why do people die from pulmonary sarcoidosis? : Current**

Joiner had noted their heightened suicide rate in his original work, *Why people die by suicide* (Harvard University Press, 2005), but it wasn't until later that he grasped the importance of the connection.

### **Why do people die that way? - ScienceDirect**

For example, some religions teach that when we die, a part of us keeps on living somewhere else. Does your religion teach you that, or does it teach you what the Bible says about the dead? Satan uses lies to turn people away from Jehovah. 17. Why does the idea of people burning in hell insult Jehovah? 17 What many religions teach is shocking.

### **What Happens When We Die? Is There Life After Death?**

Myth 2: We die because our cells/DNA get damaged with age. This is like saying bad drivers die because of blood loss. It's a proximate mechanism of death, not the evolutionary cause of mortality.
