An ontological argument is a philosophical argument for the existence of God that uses ontology. Many arguments fall under the category of the ontological, and they tend to involve arguments about the state of being or existing. More specifically, ontological arguments tend to start with a priori theory about the organization of the universe. If that organizational structure is true, the ...

Heroic men, heroic women, and animals . See also the section The courage of the bullfighters, which includes material on the courage of the rock climbers and mountaineers, including the remarkable achievements of the free climber Alex Honnold.. This is a very varied section, like some other sections of the page. So much writing in support of bullfighting is suffocating in its exclusion of the ...
