A video game is an electronic game that involves interaction with a user interface to generate visual feedback on a two- or three-dimensional video display device such as a TV screen or computer monitor. Since the 1980s, video games have become an increasingly important part of the entertainment industry, and whether they are also a form of art is a matter of dispute.

The Settlers (German: Die Siedler) is a city-building video game with real-time strategy elements, developed and published by Blue Byte Software. Released in Germany for Amiga in June 1993, and in the United Kingdom in November, it is the first game in The Settlers series. In 1994, Blue Byte and Massive Development ported the game to MS-DOS. Blue Byte published the DOS version in Europe under its ...
