"You Shouldn't Kiss Me Like This" is a song written and recorded by American country music artist Toby Keith. It is the ninth track on his 1999 album *How Do You Like Me Now?!* and was released as the fourth and final single from the album in October 2000. The song reached Number One on the US Billboard Hot Country Singles & Tracks (now Hot Country Songs) charts.

4 Overview The KISS II System was developed to help those who may be new to frameless cabinet construction, or those who presently build frameless cabinets and line bore 32mm holes, but donâ€™t use the system holes for mounting their hinges, or their drawer guides cabinet members.

KISS, a backronym for "keep it simple, stupid", is a design principle noted by the U.S. Navy in 1960. The KISS principle states that most systems work best if they are kept simple rather than made complicated; therefore simplicity should be a key goal in design, and that unnecessary complexity should be avoided. The phrase has been associated with aircraft engineer Kelly Johnson.
