- Personal branding is the act of managing the way a person wants to be perceived. This includes positioning professional skills, personality, values, leadership, and talent. Some people think that branding is just for organizations, but this not the case. Personal branding makes you the CEO of the brand called you. It's a powerful form of marketing that can help you manage your career and ...

- Creating and managing brands is one of the most important and challenging activities in all of marketing. A brand can be an enormously valuable asset for your company if it's done properly. In fact, for some companies, brands are the single most valuable asset the company owns. I'm Drew Boyd, and I've been in the marketing profession for over 30 years. I teach branding to graduate students ...
