

yugoslavia socialism development and pdf

Titoism is described as the post-World War II policies and practices associated with Josip Broz Tito during the Cold War, characterized by an opposition to the Soviet Union.. It usually represents Tito's Yugoslav doctrine in Cold War international politics. It emerged with the Yugoslav Partisans' liberation of Yugoslavia independently of, or without much help from, the Red Army, resulting in ...

Titoism - Wikipedia

Socialism is a range of economic and social systems characterised by social ownership and workers' self-management of the means of production as well as the political theories and movements associated with them. Social ownership can be public, collective or cooperative ownership, or to citizen ownership of equity. There are many varieties of socialism and there is no single definition ...

Socialism - Wikipedia

Contains the electronic versions of 80 books previously published in hard copy as part of the Country Studies Series by the Federal Research Division. Intended for a general audience, books in the series present a description and analysis of the historical setting and the social, economic, political, and national security systems and institutions of select countries throughout the world.
